

THE CHESAPEAKE

4 Bedrooms • 2.5 Bathrooms • 4 Car Garage
3,487 Total Sq.Ft. • 2,399 Finished Sq.Ft

Elegance and sophistication best describe this 4 bedroom, 3 bathroom, two-story home. Luxurious finishes throughout never compromise functionality.

The dramatic pillared entrance, in conjunction with a 4-car garage, gives this home a striking impression. A two-story vaulted foyer suggests regality, but the main level layout is practical for a family-oriented lifestyle. Gatherings of all types are effortless and comfortable with the great room style kitchen, dining and family rooms.

Upstairs you will find all four bedrooms, two bathrooms and the convenient upper level laundry. The luxurious master suite is designed with you in mind and includes a coffered ceiling with ceiling fan and spa-like bathroom. A full unfinished basement provides ample storage space and the option for future expansion. Windsor Ridge Homes offers every one of these luxury features and finishes standard with this floor plan.
